Re: Notice of File Closure for Small Mining Activities, Crescent Creek 3, S/017/024, and Copper King, S/017/027, Garfield County, Utah

Dear Mr. Ekker:

This letter is to notify you that the files #S/017/024 (Crescent Creek 3) and S/017/027 (Copper King) projects, located in Garfield County, Utah, will be retired from our files.

The BLM recently inspected the projects and found the surface reclamation satisfactory. The BLM subsequently closed out their files for these projects. Because these projects are located on BLM managed lands, we will accept the BLM's recommendation and also close our files.

Before any future mining can take place, you are required to notify the BLM and this office. If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your time and consideration in completing the required reclamation on these projects.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
